F: (732)548-8435
www.SamTepp.Net

Ventilation for heavy industry, corrosive exhaust, water/wastewater, marine, high technology/semi-conductor and power generation. Products include FRP, blowers to Class V and axial products. **Factory standard 2 year or 5 year fan warranty.**

Light and Medium duty industrial axial ventilation products and cast aluminum blowers with rapid availability.

Commercial/residential ventilation products and residential energy recovery units.

High efficiency EC motor High Volume Low Speed ceiling fans up 24' in diameter for commercial and industrial applications. **Factory standard 15 year fan warranty.**

Clean air ventilation blowers and fans.

TLT-Turbo

Industrial fans for tunnel-metro, power station, mechanical vapor compression as well as fan commissioning and service. Fan performance up to 1.6 million cfm and 5.8 psi.

Gas detection systems as well as post sale commissioning and calibration for parking garages, refrigeration and industrial applications.

Commercial and Industrial air distribution products, security grilles, stainless steel air distribution, industrial exhaust hoods and kitchen exhaust systems.

Positive pressure flue, zero clearance grease exhaust duct and AL294C exhaust duct.

Roof curbs, pipe portals, equipment supports and gravity vents.

Rooftop ductwork and engineered insulated indoor round and oval ductwork.

Rooftop support systems, equipment stands, ramps and access stairs.
